

REQUEST FOR QUALIFICATIONS (RFQ) – ENGINEERING SERVICES

The North Dakota State Water Commission is seeking engineering services relating to North Dakota's state dam safety program. Interested firms should have extensive expertise and experience relating to dams, specifically:

- 1) all aspects of dam design, including hydrologic analysis, embankment and foundation design, and spillway design;
- 2) aspects of dam safety, including dam inspections, dam failure analysis, hazard classification, and emergency action planning for dams; and
- 3) dam construction administration.

For more information and to request the RFQ documents, contact:

Karen Goff, Dam Safety Program Manager
North Dakota State Water Commission
900 East Boulevard Avenue, Dept 770
Bismarck, ND 58505-0850
DIRECT: (701) 328-4953
FAX: (701) 328-3696
TTY: 1-800-366-6888 or 711
Email: kgoff@nd.gov

Proposals must be received at the ND State Water Commission by 5:00 pm CST on November 30, 2017.
